lace knitter's advent calendar *******

http://www.ravelry.com/patterns/library/lace-poinsettia

lace poinsettia version 'stockinette/garter'

general information:

the pattern is 51 stitches wide and 482 rows long and does *not* include edge stitches! \Rightarrow cast-on 51 sts + number of edge sts

the pattern only shows the right side rows,

purl all wrong side rows (version 'stockinette') or

knit all wrong side rows (version 'garter')

the pattern is 'complete', i.e. not meant to be repeated in height or width

the pattern is made symmetrical, so if you think that the tablerunner / scarf is too wide, leave out the same number of stitches at the begin and end of every row and too long, leave out the same number of rows at the begin and end

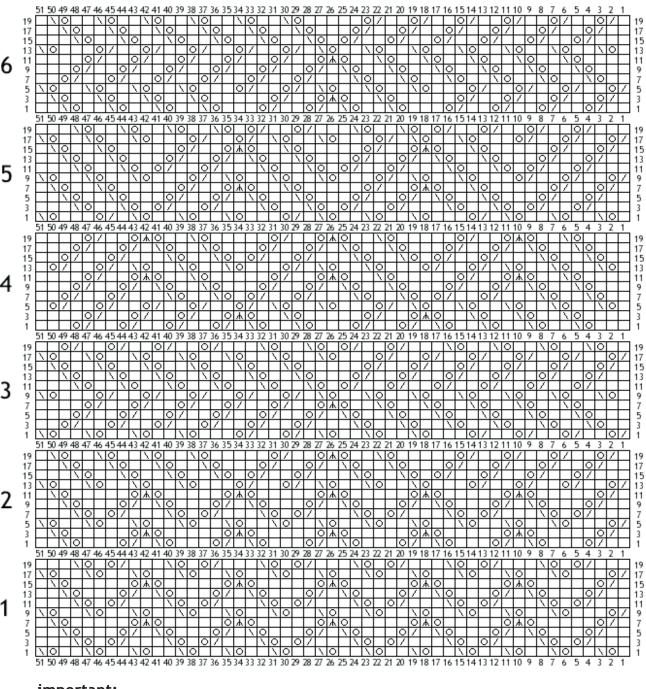

- the following items would e.g. look beautiful:

 ⇒ from day 2 row 5 to day 23 row 18 = 434 rows
- \Rightarrow from day 3 row 9 to day 22 row 14 = 386 rows
- \Rightarrow from day 6 row 13 to day 19 row 9 = 258 rows

	k - knit	7	k2tog - knit 2 together or other right decrease
	yo - yarn over	X	ssk - slip 1, slip 1, knit both together
困	sl - k2tog - psso slip 1, knit 2 together, pass slipp	ed st	or other left decrease itch over
